Braun Series 7 Differences And Model Comparison: Which One ...

10/5/2017 · IMPORTANT: in this guide we'll only be discussing the original Series 7 and its incremental updates. In 2020, Braun launched a new generation called the Series 7 70.That's a totally different shaver and one that isn't actually better performance-wise than the original S7 (you can read my detailed comparison of the two here).
