Wangari Maathai (1940–2011) was the founder of the Green Belt Movement and the Wangari Maathai Institute. Her life was a series of firsts: the first woman to gain a Ph.D. in East and Central Africa; the first female chair of a department at the University of Nairobi; and the first African woman and the first environmentalist to receive the Nobel Peace Prize (2004).

The World Transformation Movement (WTM) is a global charity that promotes Australian biologist Jeremy Griffith's breakthrough resolution of the underlying problem in all human affairs of the human condition — thereby ending human conflict and suffering at its source, and providing the now urgently needed road map for the complete transformation of our lives and world!
