24/11/2013 · thank you very much for the quick responses. the local parts shop actually had the service manuel for the 85 250es, it was an original printed 1984 June book. but they photocopied the carb settings for me. So i put the rebuild kit in and set everything to oem standard and put a brand new spark plug in and i am still have the same original issue. when i crack on the throttle, the bike chokes ...
