By applying the knowledge in this service repair manual, any owner will be able to make the right decisions about what they need to do to maintain and repair their machine.

maintained. Scheduled service is a must, of course. But it's just as important to observe the break-in guidelines, and perform all pre-ride checks and post-ride maintenance detailed in this manual. We also recommend that you read this owner's manual before you ride. It's full of facts, instructions, safety information, and helpful tips.
