performance engine builds very seldom retain all stock components. So even if your vehicle's PCV valve has a listing in the parts book, if the cam, heads, intake or any other modifications have been made the factory PCV recommendation will likely no longer be valid. These modifications not only can change the amount of blowby the engine produces,

GM's 572 crate engine catalog price {\$18369.00}, don't beat me up over the price cause you can get it cheaper we are just using dealer price for comparison. Just keep in mind this build would cost you over \$23,000.00 to duplicate. GM performance crate-engine big ...
