21/9/2021 · Dunne's A Cold War State of Mind: Brainwashing and Postwar American Society details how 'brainwashing' went from a 1950 neologism describing communist techniques of coercion to signifying by the late 1950s the menacing forces within American society itself.

Nineteen Eighty-Four, often referred to as 1984, is a dystopian social science fiction novel by the English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, Nineteen Eighty-Four centres

15/4/2021 · This essay argues that the recent scholarship on misinformation and fake news suffers from a lack of historical contextualization. The fact that misinformation scholarship has, by and large, failed to engage with the history of propaganda and with how propaganda has been studied by media and communication researchers is an empirical detriment to it, and [...]

24/10/2015 · During the cold war I was witness to prisoners being tortured and as at gitmo, a man under torture will admit to anything. I have seen men plead guilty to the most ridiculous things, raping father Christmas, stealing atom bombs in a soldiers rucksack, and it was for this reason torture was abandoned.

The peoples of Europe have had a tremendous effect on the development of the United States throughout the course of U.S. history. Europeans 'discovered' and colonized the North American continent and, even after they lost political control over its territory, their influence has predominated due to a common language, social ideals, and culture.
