1/5/2011 · To ensure the ethical behavior of their officers, agencies must possess three basic tenets. First, they must have a policy in existence that spells out their ethical mission and sets standards that officers must live up to. Second, strong and ethical leadership must exist and be in place.

Search the world's information, including webpages, images, videos and more. Google has many special features to help you find exactly what you're looking for.

state-owned and state-ruled enterprise. Zhengfei's army career, however, was routine for Chinese youths of his era and devoted to engineering. As the son of a "capitalist roader" pilloried during the "cultural revolution," Zhengfei launched one of the first fully private firms in ...

A serial killer is typically a person who murders three or more people, with the murders taking place over more than a month and including a significant period of time between them. The Federal Bureau of Investigation (FBI) defines serial killing as "a series of two or more murders, committed as separate events, usually, but not always, by one offender acting alone".

An interest group is a group of people working together through an organization and advocating on behalf of shared interests. Interest groups abound in the United States. In recent years, many groups spoke out on behalf of both sides of the argument over government healthcare. The 2010 Patient Protection and Affordable Care Act (PPACA), also ...

17/7/2002 · The level of coffee consumption continued to fall until the 1980s, and has since remained relatively stable. Today, 52 percent of the adult population in the United States (107 million people) drink coffee daily, averaging 3.3 cups a day. An additional 28 percent, or 57 million people, drink coffee ...
