Genre: Informational Review: "A Desert Scrapbook" is an informational book that describes a day in the Sonoran Desert in Arizona. It is written as more of a story describing the day and what the author was doing (as the book is based on a real day she spent in the desert), but it provides information about the different temperatures, plants, animals and when they appear, and storms.

May 19, 2021 - In the early morning hours, an artist stirs. Gathering her paints and notebook, she heads into the Arizona Sonoran Desert to explore its treasures.
