22/8/2009 · While not exactly summer beach reading, Hartmut Esslinger's new book on Design Strategy, A Fine Line crams as many ideas, themes and disparate story arcs into its 180 pages as a Dan Brown novel. For the first few chapters Esslinger follows the tried and true business book methodology of using real world examples to illustrate lessons in leadership and strategy.

For the first time, Hartmut Esslinger, internationally acclaimed designer and founder of frog design, inc., reveals the secrets to better business through better design. Having spent forty years helping build the world's most recognizable brands, Esslinger shows how business leaders and designers can join forces to build creative strategies that will ensure a more profitable and sustainable ...
