Education in the United States of America is provided in public, private, and home schools. State governments set overall educational standards, often mandate standardized tests for K–12 public school systems and supervise, usually through a board of regents, state colleges, and universities. The bulk of the \$1.3 trillion in

This wonderful, highly readable book
breaks new ground in revealing
commonalities between Deleuze's nomadic
method of inquiry and the pragmatic
method of John Dewey. It should be of
great interest to both philosophers and
educators. NEL NODDINGS,
