Revolution. Written in 1859, A Tale of Two Cities explores issues also associated with other works of Charles Dickens: poverty, oppression, cruelty, social disruption, justice, personal redemption, and class struggle. As scenes in the story shift between the cities of Paris and London, Dickens explores these themes in both locations.

Description. Classic / British English. This great story is set against the background of the French Revolution. Two men – one French, one English, but very similar in appearance – are in love with the same woman. The three of them, like the people of France, are faced with the dangers of life at a time when the guillotine never rests.
