Hymnal.101 Questions about Ellen White and Her Writings Daniel and the Revelation Seventh-Day Adventists Believe History of the Sabbath and First Day of the Week Spiritual Gifts, Vol. 1 Loma Linda

Adventists believe the key to wellness lies in a life of balance and temperance. Nature creates a wealth of good things that lead to vibrant health. Pure water, fresh air and sunlight—when used appropriately—promote clean, healthy lives. Exercise and avoidance of harmful substances such as tobacco, alcohol and mind-altering substances lead ...

Whole-person health—Caring for the body as a “temple” and a “living sacrifice” If you’ve ever read about Adventists in the news, you might have heard about the “Blue Zones” longevity research by National Geographic, where they studied locations around the world where people lived the longest. Along with groups from Japan and Italy, researchers studied a sampling of Adventists in ...

Special emphasis days are a wonderful way for the more than 21 million Adventists to join together and focus on a particular theme. The prayers and collective efforts of the global Adventist family can have a tremendous impact for good. Why struggle alone when you can work together to make a difference? Special Days include weeks of prayer and awareness-raising events for vulnerable children ...
