Afrikakorps - the way the soldiers themselves experienced it--the way they lived it: in color.

Synopsis This is a colour photographic survey of the Tropical combat uniforms, insignia and equipment of the German Army in North Africa during World War II. The photographs are accurate reconstructions.

The Kriegsmarine was the navy of Nazi Germany prior to and during World War II. Kriegsmarine uniform design followed that of the preexisting Reichsmarine, itself based on that of the First World War Kaiserliche Marine. Kriegsmarine styles of uniform and insignia had many features in common with those of other European navies, all derived from the British Royal Navy of the 19th century, such as ...
