3/3/2012 · Among Others is a love letter to science fiction and to fans of the genre, almost in the way that Ready Player One was a love letter to geek culture of the 1980’s. If you have read or enjoyed any science fiction that was written between 1950 and 1980 (and I think that’s most of us), you will enjoy Among Others even though

14/2/2011 · My friend Carl first convinced me to read *Among Others* by Jo Walton with his blog review.. He loves *Among Others* so much that he's immediately rereading it, this time aloud to his wife. To further explain why the book is so important to him, he compares the story to the friends he's made in the Classic Science Fiction Book Club in his post "A Karass."
