Best Anatomy and Physiology Coloring Workbook Review. Anatomy and Physiology are some of the most challenging subjects for college students. Here is the review of the anatomy and physiology coloring workbook by Ruth Hull. ... The Urinary system is responsible for cleaning or filtering the blood of toxic metabolites & waste products. Explore the ...

The organ system that performs this function in humans—the urinary system—is the topic of this chapter. The organs of the urinary system are organs of excretion—they remove wastes and water from the body. Specifically, the urinary system “cleans the blood” of metabolic wastes, which are substances produced by the body that it cannot
