22/8/2015 · Ancient Wisdom and Secret Sects I read this one a good while ago. It's probably the best introductory book on secret societies that I have read. That's not saying much really, as I have only read three such books. What I am trying to say is that this is a far better introduction to secret societies than Arkon Daraul's piece of shit.

28/8/2014 · The Nine Unknown Men are one of the world's most powerful secret societies. There is little information about the Nine Unknown Men and very few have met any of these brilliant scientists. The Nine Unknown Men avoided social contacts and their society was concealed from the public eye. They were never engaged in any religious or political disputes.
