2021 – United States Capitol attack, January 6, After months of unsuccessful attempts by President Donald Trump and his allies to overturn the results of the 2020 presidential election, asserting voter fraud occurred and unsuccessfully attempting to pressure state election officials to alter the election results in his favor, a large group of pro-Trump supporters, allegedly called to action ...

Postal rates to 1847. Initial United States postage rates were set by Congress as part of the Postal Service Act signed into law by President George Washington on February 20, 1792. The postal rate varied according to "distance zone", the distance a letter was to be carried from the post office where it entered the mail to its final destination.
