Road and pavement condition and repairs . Our programme of road and pavement repairs and improvements follows the priorities set through our highways asset management approach.. If you are concerned about the condition of a road or pavement in Cheshire East, you can report it online.We will assess the defect and take appropriate action.

Potholes are level 1. We respond to potholes and other localised road defects according to the level of risk to road/pavement users. This means our response time depends on where the defect is, how bad the defect is, and how busy the road or pavement is. Pothole teams take photos of every pothole repair so we can make sure
