Reading Arizona Professional Engineer Reciprocity ebooks

1934 – The National Society of Professional Engineers is formed, with the membership requirement of being a professional, licensed engineer. At the time, only 28 states had engineering registration laws enacted. 1940 – Between 1935 and 1940, 17 additional states adopted engineering registration laws, partly through the efforts of NSPE members.

9/4/2019 · The Arizona Legislature recently passed HB 2569, a bill that would loosen occupational licensing laws in the state by recognizing out-of-state licenses as valid. To better understand the role of occupational licensing and what this change would mean for Arizona's businesses and residents, ASU Now spoke with Stephen
