society that outlasted the military and political machinations of its leadership. After the Italian part of the Roman Empire declined and “fell” in the fifth century (an event no one at the time realized was so significant), Italy was the target of several invasions.

The March 14, 1891, New Orleans lynchings were the murders of 11 Italian Americans in New Orleans, Louisiana, by a mob for their alleged role in the murder of city police chief David Hennessy after some of them had been acquitted at trial. It was one of the largest single mass lynchings in American history. The lynching took place the day after the trial of nine of the nineteen men indicted in ...
