crisis of EU's migration policies in recent months. The question of adopting a European common list has been raised regularly in recent years, including during work on the Asylum Procedures Directives (2005 and 2013), but several Member States have opposed the idea of a single, common list and preferred to maintain a system of national lists.

15/7/2021 · The paper discussed the response of both international humanitarian law, international human rights law, and customary international humanitarian law to their rights ...

2/7/2020 · The European Commission will soon release a new Migration and Asylum Pact, which will lay out the direction for the EU and member states to reform the EU asylum system and the bloc's migration ...

The rights are closely related, since the inability to return to one's country is the basis of an asylum claim while the ability to leave one's country is a prerequisite for claiming refugee status under the 1951 Convention. Freedom of movement, however, is also a key right for refugees within their host country.

The European Database of Asylum Law (EDAL) is an online database managed by the European Council on Refugees and Exiles (ECRE) and a compilation of summaries of refugee and asylum case law from the courts of 22 EU Member States, the Court of Justice of the European Union (CJEU) and the European Court of Human Rights (ECtHR).
