replacement but all 8 slots are taken. How do I deregister all handsets from the base, so I can reregister all phones. There is nothing in the manual.

Thanks Tony for taking the time. I have that same manual. There is nothing in it about unregistering handsets or resetting to factory defaults. Once slots have been filled, there does not seem to be a way to replace a broken phone. Many other systems offer a sequence of steps or numbers to dial. This does not.
