About The Author For The Basic Writings of Sigmund Freud Pdf. Dr. Sigismund Freud (later changed  
to Sigmund) was a neurologist and the founder of psychoanalysis, who created an entirely new  
approach to the understanding of the human personality. He is regarded as one of the most  
influential—and controversial—minds of the 20th century.

Freud is often considered the first psychological theorist to have emphasized the developmental  
aspects of personality and the decisive role of the early experiences during infancy and childhood in  
laying down the basic character structure of an adult person. According to Freud, the individual passes  
through a
