Go the Fk to Sleep: Mansbach, Adam, Jackson, Samuel L ...**

*Go the F**k to Sleep is a bedtime book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar — and unspoken — tribulations of putting your little angel down for the night.*

Book - Wikipedia

A book is a medium for recording information in the form of writing or images, typically composed of many pages (made of papyrus, parchment, vellum, or paper) bound together and protected by a cover. The technical term for this physical arrangement is codex (plural, codices). In the history of hand-held physical supports for extended written compositions or records, the codex replaces its ...

James Herriot's Treasury for Children: Warm and Joyful ...

This entire book survives the test of time. I do not mind reading it, and the kids do not mind listening. Some book collections have a story or two that just makes me want to pull my hair out, even by authors we enjoy, but this one is a definite keeper. The audio CD of these stories is great too.
