Read Before The Computer Ibm Ncr Burroughs Remington Rand The Industry They Created 1865 1956.pdf

Princeton University Press , Mar 8, 2015 - Business & Economics - ...

Before the Computer fully explores the data processing industry in the United States from its nineteenth-century inception down to the period when the computer became its primary tool. As James Cortada describes what was once called the "office appliance industry," he challenges our view of the digital computer as a revolutionary technology.
