China 2030: Building a Modern, Harmonious, and Creative Society, a joint report by the World Bank and the Development Research Center of China's State Council, lays out six strategic directions for China's future: completing the transition to a market economy; accelerating the pace of open innovation; going "green" to transform environmental stresses into green growth as a driver for ...

26/8/2019 · Introduction. In the past few years, China has made some dramatic foreign policy decisions, including increasing its military presence in the South China Sea, developing weapons that may challenge the US Navy in the western Pacific, the construction of the Asia Infrastructure Investment Bank (AIIB), and a huge increase in foreign direct investment across the world.

Foreign policy of China. The People's Republic of China is a Communist state that came to power in 1949 after a civil war. It became a great power in the 1960s and today has the world's largest population, second largest GDP (after the U.S.) and the largest economy in the world by PPP. Beyond trade and economic activities, China-ASEAN cooperation has broadened to cover the environment, science and technology, non-traditional security areas and related legal issues. China's relations with ASEAN have reached a new era where the two sides have established an economic, legal and political framework for their comprehensive cooperation.

This study confronts the results of the World Values Survey conducted in China in June 2001 with three theories on the origins of democratic values. It shows that Chinese people have rather high democratic aspirations. The Chinese middle class offers the highest level of support for democracy. The negative relation between age and democratic-value

orientations confirms the generation ...

1/2/1992 · Daniel Balland comments as a geographer of the region, Thomas Barfield as an expert on China-Central Asia connexions. Mansura Haider specializes on medieval Central Asia and has a command over the Uzbek and Persian language sources, and Lawrence Krader, known in India primarily as a Marxist theoretician, is an authority on political processes amongst Central Asian peoples.

4/10/2016 · Introduction to Society. In 1900 a young anthropologist, John Swanton, transcribed a series of myths and tales — known as qqaygaang in the Haida language — told by the master Haida storyteller Ghandl. The tales tell stories of animal and human transformations, of heroes who marry birds, of birds who take off their skins and become women, of mussels who manifest the spirit form of whales ...
