10. pRELIminARY SKETCHES ARE A mUST Sketching is the most important stage of design. Jumping right onto the computer can limit your creativity by the amount of time it takes to produce just one logo. When sketching, you can let your creativity run wild and have multiple ideas down on ...

A noted authority on the subjects of graphic design, logo design, and corporate branding, David E. Carter has produced over 100 best-selling books in those fields, including **The Big Book Of Logos**, **The Big Book of New Design Ideas**, and **The Big Book of Business Cards**. He is currently working on several new corporate identity books.

This book has 2,500 of the best logos done by designers from all across America and nothing else. This book was put together so it could become a compendium of logos that one can use to see different styles and techniques and jump start their own creative juices. The book is full color and the only way to navigate the book is through the Index.
