Later in the book, I will discuss a number of definitions, including the disastrously confused and unworkable formula popular with many anti-racists: 'Prejudice + Power = Racism'. I will also argue that the idea of institutional racism has outlived its usefulness. This book, despite being only a very short introduction, is an

Download Free PDF. Download Free PDF. Charles W. Mills' book, THE RACIAL CONTRACT exposes the powerful subconscious racism from European "superiority ideology" going back 500 years. The Academy all white awards and Trump's flawed equivalencies after Charlottesville are supportive.

of racism is at once socially important and analytically useful for understanding the persistence of racial inequality in a purportedly 'postracial' society. At root, racism is "an ideology of racial domination" (Wilson, 1999: p. 14) in which the presumed biological or cultural superiority of one or more racial ...
