If the Customs Service introduced the modern governance of trade to China, it also made Chinese legible to foreign audiences. Following the activities of the Inspectors General, who were virtual autocrats within the service and communicated regularly with senior Chinese officials and foreign diplomats, this history tracks the Customs Service as it transformed China and its relationship to the ...

Praise for Breaking with the Past "This is the story of China's economic internationalization in the century before the Communist conquest. The Maritime Customs Service was the most continuously important part of the modern Chinese state from the mid-nineteenth to the mid-twentieth centuries.

25/2/2014 · From 1854 to 1952, the Chinese Maritime Customs Service delivered one-third to one-half of all revenue available to China's central authorities. Much more than a tax collector, the institution managed China's harbors and surveyed the Chinese coast. It oversaw a college training Chinese diplomats; translated legal, philosophical, economic, and scientific documents; organized ...

This book describes the role of the Chinese Maritime Customs Service, assesses the influence it had on Chinese history and society, and shows how it transformed China's relationship with the world. It explains how, between its founding in 1854 and its collapse in 1952, the Service delivered one-third to one-half of all revenue collected by China's central authorities.

11/2/2014 · Between its founding in 1854 and its collapse in 1952, the Chinese Maritime Customs Service delivered one-third to one-half of all revenue collected by China's central authorities. Much more than a tax collector, the institution managed China's harbors, erected lighthouses, and surveyed the Chinese coast. It funded and oversaw the Translator's College, which trained Chinese diplomats while ...

The Chinese Maritime Customs Service was a Chinese governmental tax collection agency and information service from its founding in 1854 until it split in 1949 into services operating in the Republic of China on Taiwan, and in the People's Republic of China. From its foundation in 1854 until the collapse of the Qing dynasty in 1911, the agency was known as the Imperial Maritime Customs Service.

This book describes the role of the Chinese Maritime Customs Service, assesses the influence it had on Chinese history and society, and shows how it transformed China's relationship with the world. It explains how, between its founding in 1854 and its collapse in 1952, the Service delivered one-third to one-half of all revenue collected by China's central authorities.
