pronunciation" produces over 8 million hits. A good place to start, if you are interested in British English pronunciation, is the BBC Learning English website, which offers a series of short video tutorials

The most important aspects of this accent should, however, be made clear: a. The number of native speakers of this accent who originate in Ireland, Scotland and Wales is very small and probably diminishing, and it is therefore a misnomer to call it an accent of BRITISH English. It is an accent spoken by some English people. b.
