International Business Case Study QCF Microsoft Tuesday 5 December 2017, Afternoon This is an open-book examination, and you may consult any previously prepared written material or texts during the examination. Only answers that are written during the examination in the answer book supplied by the examination centre will be marked. Notes

The use of business cases was developed by faculty members of the Harvard Graduate School of Business Administration in the 1920s. Case studies have been widely accepted as one effective way of exposing students to the decision-making process. Basically, cases represent detailed descriptions or reports of business problems. They are usually

Business case studies give the company a platform to showcase the product or service as applied in real-life. Word of Mouth When a customer is satisfied and intrigued by the case study he has read, there is a high chance that he could become a vessel for word of mouth marketing when he talks about the company and its case to his peers.

Example: This business case outlines how the Web Platform (WP) Project will address current business concerns, the benefits of the project, and recommendations and justification of the project.
