Religious art is artistic imagery using religious inspiration and motifs and is often intended to uplift the mind to the spiritual. Sacred art involves the ritual and cultic practices and practical and operative aspects of the path of the spiritual realization within the artist's religious tradition.

18/8/2004 · As a general theory of the cinema, then, the auteur theory is clearly flawed. Not all films—not even all great ones—can be attributed to the control of the director. Actors are the clearest examples of individuals who may have such a significant impact on the making of a specific film that the film has to be seen as attributable to them even more importantly than ...
