31/5/2021 · Online Library **By Fire And Bayonet Greys West Indies Campaign Of 1794 From Reason To Revolution** largely unexplored and largely undocumented (at least in modern times). Sir Charles Grey was one of the most aggressive British generals of the era - something his gentlemanly appearance and demeanor did not immediately indicate.

The great killer on this campaign was not the French... it was disease: principally, Yellow Fever. Of the 6,200 men who landed with Grey on Martinique in February 1794, some 4,100 were dead by Christmas - such then is By Fire and Bayonet an account of a very dramatic period for the British Army in the West Indies.

A Forgotten Campaign of the French Revolutionary Wars. In 1794 Lt. Gen. Sir Charles Grey undertook a campaign against the French colonies in the West Indies, and turned in a remarkably successful performance, one which has hitherto been almost wholly neglected in the literature.

There have been few books about Grey's glorious (but ultimately ill-fated) West Indies campaign in the early years of the long and terrible wars of 1793-1815, yet five of the subalterns in Grey's expeditionary force went on to command divisions in Wellington's Peninsula army; another two commanded the Iron Duke's Royal Artillery; and one (Richard Fletcher) - famously - the

The British Army during the Napoleonic Wars experienced a time of rapid change. At the beginning of the French Revolutionary Wars in 1793, the army was a small, awkwardly administered force of barely 40,000 men. By the end of the period, the numbers had vastly increased. At its peak, in 1813, the regular army contained over 250,000 men. The British infantry was "the only military force not to ...
