We have thousands of CAT PDF documents so we can provide a PDF workshop manual almost for any Caterpillar machine or engine. Every company which specializes in repairing CAT machinery absolutely needs the authorized Caterpillar CAT factory workshop manual because it is not possible to perform service and repairs professionally without such literature.

The Cat® C27 ACERT™ Industrial Diesel Engine is offered in ratings ranging from 597-783 bkW (800-1050 bhp) @ 1800 rpm. These ratings meet U.S. EPA Tier 4 Final

Caterpillar marine engines, mechanically or electronically controlled, operate as primary or secondary drives in marine and river vessels, passenger ships, ferries, tugboats, cargo ships, yachts, and sports boats. A wide program is used both for new installations and for replacing old engines. The engines are subjected to rigorous bench tests at the plant, which are confirmed by acceptance ...

20/11/2013 · Mileage is around 5mpg and the engine has pretty good power. At the time I thought the Cat was a better choice than an ISX with all the EGR problems they were having, but I think it the luck of the draw with these newer engines, either you get a good one or you get a bad one.
