7 Most Effective Ways To Receive Spiritual Guidance

31/12/2017 · Get excited when you hear something, get a clear message, feel your Guide's presence, or see light showing an answer to you. This means you're improving. If you try to talk to your Guides once or twice, don't hear anything back, declare yourself a failure and decide that you can't do it, that's like standing up your newborn child and being disappointed when they don't walk across the room.

6 Best Practices for a Successful Outbound Calls Strategy

21/4/2017 · Detail your outbound calls strategy. Your outbound call strategy needs to be defined long before anyone picks up the phone. Of course, it will be reworked and modified along the way, but it needs dedicated planning from the get-go. Specify goals and KPIs. In order to set a course, you need to have a clear idea of the end goal of your campaign.

Questioning Strategies - CITL

The advantage of this strategy, as in redirecting, is that the student may learn the process of searching for answers to his own questions rather than relying on the teacher. The risk is that the process can be embarrassing or so threatening that the student will be too intimidated to ask questions in the future.
