Keep this document handy for easy reference. For detailed information on the features of your dishwasher, see your 'User guide'. Before using your dishwasher, make sure you read the full 'User guide', with special attention to the 'Safety and warnings' section. For contact information or if you require service, assistance or replacement parts, see the end of this document or your ...

Congratulations on purchasing your water and energy efficient dishwasher! This dishwasher cleans by spraying the dishes with water and pauses to allow the detergent to soak into and release the soils on the dishes. The cycles are longer due to the soak and pauses for exceptional cleaning. Your dishwasher contains an optical water sensor.
