20/9/2006 · The objective of this new edition is the same as that of previous editions: to help students understand social policy from a Canadian perspective, and to stir them to discussion and debate. Part One provides a general overview of social policy and Part Two discusses the policy-making processes, from the international factors that influence them to the ways in which a social worker can become ...

Immigration to Canada is the process by which people migrate to Canada for the purpose of residing there—and where a majority go on to become Canadian citizens. [citation needed] As of 2019, Canada has the eighth largest immigrant populations in the world, while foreign-born people make up about one-fifth (21% in 2019) of Canada's population—one of the highest ratios for industrialized ...

"New editions of Anne Westhues' edited text on current Canadian social policies are always welcome to students of social policy in Canada. Edition five benefits from the co-editing of Brian Wharf, for years Canada's foremost scholar on community social development. Sadly Professor Wharf passed away in August, 2011, as work on the book
