Carver C-1 2 Channel Pre-Amp/Processor Amplifier for sale ...

The Carver C-1 preamp has every feature you can ask for in a preamp and it's built so well that it's still running perfectly clean after 30+ years of partial use and storage. If you want a really clean analog preamp that can be completely up-graded with new resistors, caps, and Op-Amps then spending about \$300 to pick up a mint C-1 is well worth the investment.
