Race (human categorization) - Wikipedia

Reading Chapter 18 Classification Answer Key Pearson Education.pdf

A race is a grouping of humans based on shared physical or social qualities into categories generally viewed as distinct by society. The term was first used to refer to speakers of a common language and then to denote national affiliations. By the 17th century the term began to refer to physical (phenotypical) traits. Modern science regards race as a social construct, an identity which is ...
