Ebooks Chapter 9 Budgetary Planning Solutions.pdf

management's major responsibilities is planning. As explained in Chapter 1, planning is the process of establishing company-wide objectives. A successful organization makes both long-term and short-term plans. These plans establish the objectives of the company and the proposed way of accomplishing them.

9-3 A master budget, or profit plan, is a comprehensive set of budgets covering all phases of an organization's operations for a specified period of time. The master budget includes the following parts: sales budget, operational budgets (including a production budget, inventory budgets, a labor budget, an overhead budget, a selling and administrative expense budget, and a cash
