Citroën (French pronunciation:) is a French brand of automobiles owned by Stellantis.. In 1934, the firm established its reputation for innovative technology with the Traction Avant. This was the world's first car to be mass-produced with front-wheel drive, four-wheel independent suspension, as well as unibody construction, omitting a separate chassis, and instead using the body of the car ...

The publication provides step-by-step descriptions of the various procedures for operating the Citroen, as well as comprehensive repair and maintenance of these vehicles. The operations on diagnostics of malfunctions in aggregates and components of machines, repair and adjustment of elements of systems and units, in particular power units (including fuel injection system, gas distribution ...
