commercial law. Contents: • The shaping of commercial law • Contracts and markets: the challenges confronting private and public law • Property rights in commercial assets : rethinking concepts and policies • Commercial law in an international environment: towards the next millennium. Published under the auspices of ISBN 0-421-63650-5

If commercial law is about the relations between merchants, then the law of consumer credit, important and complex as it is, is not part of commercial law. This doctrinal consideration is reinforced by the fact that examination shows that nowadays relatively few universities include this material in courses entitled Commercial Law or something ...
