Best Web App Option: Canva. If you're creating a PDF document with just a few pages, another option is the online design app, Canva. I don't recommend it for longer documents because it doesn't yet have the multi-page capabilities like automatic page numbers, margins, and style sheets, which allow for consistency throughout your document.

You can now manage your CreateSpace content on Amazon's improved publishing services. We now offer specialized options for your different publishing needs. Login to get started with Kindle Direct Publishing, Manufacturing on Demand, or Print on Demand for publishers.
