45 Winning the Revolution: Great Britain's military forces were superior to the colonists' forces but Britain had a flawed premise about how the war would be won. Britain assumed the colonists could be made to submit by swift and effective application of force and that Americans loyal to the crown would rally around the British troops.

that are going to show how much, or how little, you, or those you quiz, know about Scripture. Unfortunately, most will discover "how little" as these quizzes are certainly not designed to be easy. The good news is, that if you keep taking the quizzes over and over again, you will begin to acquire a great deal of knowledge concerning the
