Professor Martin L. Friedland has retired from teaching criminal law and procedure and from his editorship of these materials. The first five editions of this book were prepared by him alone and his exceptional contributions both to the teaching of criminal law and to Canadian criminal justice are still very much reflected in these pages.

1.4 The sources of criminal law The criminal law is a creature of the common law, that is, judge made law. Some of the most important crimes have their source in the common law. Murder and manslaughter are obvious examples. However, the majority of criminal offences are now statute based. Such offences may either have originated in statute or are
