W. M. L. De Wette supported the Astruc-Eichhorn documentary theory, and added to this the notion that the copy of the Book of the Law discovered at the time of Josiah constituted the core of the book of Deuteronomy. Hence, one could identify possibly three sources at work in the Pentateuchal narrative:⁵ an Elhoistic source, a

documentary film review will change, which will influence how viewers watch and interpret films. This influences the type and style of films made. As new styles of filmmaking develop, the style of movie review will continue to change. This is the "rhetorical ecosystem".
