In David and Goliath Malcolm Gladwell takes us on a scintillating and surprising journey to uncover the hidden dynamics that shape the balance of power between the small and the mighty. From the conflicts in Northern Ireland and Vietnam, through the tactics of civil rights leaders and the problem of privilege, Gladwell demonstrates how terribly we misunderstand the true meaning of advantage ...

In David and Goliath, Malcolm Gladwell argues that what we often think of as disadvantages may actually be advantages, and that advantages of goliaths may turn into disadvantages. Gladwell shows us that underdog victories are less miraculous (and more achievable) than they seem, and sheds light on how we can reinterpret our own weaknesses to locate new sources of power.
