DC Comics and Marvel went looking for such mavericks and found them in the United Kingdom. Creators like Alan Moore (Watchmen, Saga of the Swamp Thing), Grant Morrison (The Invisibles, Flex Mentallo) and Garth Ennis (Preacher) migrated from the anarchical British comics industry to the U.S. mainstream and shook up the status quo yet came to rely on the genius of the American system.

Collected Editions is the wait-for-trade paperback headquarters, with reviews, comics news, graphic novel discount alerts, and the occasional scoop.

Comics and graphic novels share much in common. If a comic strip, for example, is done right, it will entice the reader to go through it more than one quick scan. A reader may not even be fully aware of it but it is likely that the comic strip is digested a number of times, as in a loop. The reader seeks the stimulation and goes for repeated ...
