Management Decision Making Research paper Oksana Galak Management Decision Making Summer semester 2010 Decision Making: A Dynamic Perspective Research Paper Oksana Galak 1 Management Decision Making Research paper Oksana Galak I. Introduction ?Making decisions is like speaking prose—people do it all the time, knowingly or unknowingly? (Kahneman and Tversky, 1983).

Decision making is the study of identifying and choosing alternatives based on the values and preferences of the decision maker. Making a decision implies that there are alternative choices to be considered, and in such a case we want not only to identify as many of these alternatives as possible but to choose the one that best fits with our goals, objectives, desires, values, and so on.

decision-making, as opposed to individuals having known, well-defined preferences which they bring to a decision-making situation. The approach is primarily concerned with understanding controllable, conscious processes¹ (System 2 thinking). However, it has recently been acknowledged that
