26/7/2017 · This article focuses on the institutional, economic, social, and international causes of democratic consolidation as distinct from democratization. For example, although there is no consensus on whether economic growth and prospects for democratization are positively linked, scholars generally agree that economic growth contributes to democratic consolidation.

As manifested in Latin America and, more recently, in Eastern Europe, the lack of democratic consolidation itself has not automatically led to regional conflicts or instability. To fully grasp the foreign policy behavior of consolidating democracies, we need to devote close attention to another factor: the role of national identity (Laitin 1998 ; Abdelal 2001 ; Nau 2002).

1/2/2007 · On the role of international factors, see Jan Zielonka and Alex Pravda, eds., Democratic Consolidation in Eastern Europe, vol. 2, International and Transnational Factors (Oxford: Oxford University Press, 2001); Geoffrey Pridham, Designing Democracy: EU Enlargement and Regime Change in Postcommunist Europe (London: Palgrave Macmillan, 2005); and Jan Kubik and Grzegorz Ekiert, "Civil ...

The volume entitled *The International Dimensions of Democratization* is an apt demonstration of this logic.⁴ It poses the questions of how and why democracy spreads from certain sets of states to others, whether democracy is a "virus" which speeds by nature, whether it is a "vaccine" or "transplant" administered by certain states to other states, and how, in this terminology, the patients react ...

9/7/2019 · The ways post-communist countries develop are fundamentally different. The democratic transition that began in these countries almost simultaneously resulted in the formation of various political regimes in the post-communist space after more than 25 years of transformation - from consolidated democracies in Central and Eastern Europe and the Baltics, to openly autocratic political ...

Time is a crucial factor in this process of 'democratic invention',² as is the international political and economic environment. An overwhelming but simplistic popular perception in the CEECs after 1989 was that democracy was synonymous with a 'return to Europe'. In fact, the geographical barriers

By reading this **Democratic Consolidation In Eastern Europe Volume 2 International And Transnational Factors Oxford Studies In Democratization** book, you will look from the supplementary mindset.
